Letter of Transmittal

To The Selectmen and Citizens of Pittsfield:

It is a pleasure to submit to you my fourth annual report since coming to Pittsfield. A list of department income and expenses has been added, a further breakdown of any item is on file in the office.

The excise tax for the year was \$39,068.39, and \$5,931.61 below the \$45,000.00 estimate used for the reduction of taxes. There are two reasons for this: early registration last year because of new plates made a lower income for the month of February, and the change in the closing date for the town books to December 31st, made only an eleven month year for 1968.

Also due to the shorter year more departmental balances were transferred to surplus, part of these being used to make up the difference in the excise tax estimate.

The Selectmen met for twelve regular meetings, nine special meetings, also two meetings with the Planning Board and two with the Budget Committee.

The Planning Board has had a very active year, holding sixteen meetings with the consulting firm of Hans Klunder Associates, four on the preparation of a town charter that has been presented to legislature for enactment. This charter will be presented to the citizens of Pittsfield for endorsement at the 1970 town meeting.

Better working conditions have been established by renovations in the Town Office.

The assessing department now has aerial photos of the town available to assist in locating property, also

a filing system that shows you how the value of your property was arrived at. You are welcome to come in at any time.

With the retirement of Glyndon Braley as Highway Foreman, we have combined the highway and water departments as a public works department with Richard Nason in charge. About .06 of a mile of the Powers Road was rebuilt with Town Road Improvement money. A new Chevrolet truck and a Sicard Snowblower were purchased. A salt storage shed was built using the lumber salvaged from the old town garage. A busy summer is anticipated, because of the rebuilding of Hartland Ave., many water and sewer services will have to be renewed.

Many problems have occurred in 1968, let's work to settle them in a dignified manner and present a more unified public impression.

It has again been a pleasure working with you, the Selectmen, the taxpayers, the department heads and employees of the town. I thank you for your assistance.

Very truly yours,

JAMES E. HANNIGAN

Manson Park Fund

To the Inhabitants of the Town of Pittsfield, Maine

I have examined the accounts of Kilborn H. Merrill, Treasurer of the Mary Ann Lancey Manson Park Fund for the year ended December 31, 1968.

This fund is derived from income received from a Trust Fund held by the Canal National Bank of Portland, Trustee, which fund was set up by the late John W. Manson, with instructions that three quarters of the income to be paid to the Town of Pittsfield for maintenance of the Mary Ann Lancey Manson Park, and one quarter to be paid to Maine Central Institute.

The income received by the town shall be administered by a Board of Trustees appointed by the town, which board shall appoint a Treasurer and all income from any source shall be kept separate from any town funds.

My examination of the records indicated that the total receipts for the year were \$16,386.25 while expenditures amounted to \$18,188.91. All receipts and expenditures were verified and the balance in the Treasurer's hands is supported as follows:

Checking Account - reconciled	\$1,328.29
Savings Account - reconciled	\$1,055.09

The attached analysis of income and expenditures is correct.

Respectfully submitted,
HENRY A. McCREADY

LIBRARIANS REPORT

To the Citizens of the Town of Pittsfield:

It is difficult to outline a brief report when covering a year's work at a Public Library. It is our aim to provide sufficient reading and reference materials and to give good service to the community. We have observed National Library Week and Children's Book Week with special programs and contests. We feel that these encourage reading both with adults and children. A story hour was held in the spring and several members of the Arts Club volunteered as readers. The program was well received.

The Librarian has attended a two day State Meeting held in Bar Harbor, an area meeting held in Madison and a round-table meeting held in Guilford. These meetings have been most instructive. Many new ideas and techniques enhance our library service.

Two major improvements this year have been the Kiwanis Project, the addition of a room known as the J. S. Buker Room and the Art's Club project, the re-decorating of the Children's Room. The Children's Room has been painted, book cases and tables have been refinished, new wall to wall carpeting and a reading table and chairs have been added. These improvements are a great asset to our facilities and the clubs should be aware that we are extremely grateful for their interest and efforts.

The Library has added several new services which include the Inter-Library loan telephone service which gives more rapid return of requested books from the State Library. The addition of large type books for the Visually Handicapped. We have a talking book displayed at the Library and have placed a magnifying Viewer in the home of Mrs. Agnes Kierstead. Our record section has proven very popular, having added 200 recordings for circulation. Government funds provided

us with extra money for magazine subscriptions. Students use many of these in preparing their term papers, using our "Reader's Guide" as an index. We have received many gifts of books and furnishings for our Library.

In closing, I would like to express my appreciation to all who have helped to promote the Library Program — The Kiwanis Club, The Art's Club, The Citizens who have donated books and magazines, the M. C. I. Key Club for moving books, the Boy Scouts for painting the children's chairs and to Mrs. Burch, the assistant, for her outstanding service. I thank the trustees for time and cooperation in looking ahead and studying the needs of the Library. Yes, and to the people of our town for their support, without which our program could no grow to fill the needs of this community.

Respectfully submitted,

BESSIE B. LIBBY
Librarian

Pittsfield Fire Department

Annual Report - 1968

To the Town Manager, Selectmen and the Citizens of Pittsfield:

The Fire Department had a succesful year in keeping the fire loss to a minimum.

Great strides were taken in the area of training, practice and knowledgeable application of this training.

State instructed schools for all firemen and officers were held covering the proper use of ladders, breathing apparatus and effective hose streams. A tactical school was held for all officers of the department. The post of training officer was established and this officer is charged with maintaining a training and practice program continually. This has worked effectively to broaden and maintain the knowledge of fire-fighting.

The radio-wave alerting system was established with excellent results. Response to alarms have been faster and more effective due to the receivers in the firemen's homes even though a small amount of receivers have been purchased (8).

Dispatching was centralized to cover Fire and Police Departments. Firemen turned out to renovate the dispatch office and the newly built Fire Chief's office located in the old motor room at rear of fire station.

Firemen volunteered the time and services for these projects.

The Pittsfield Fire Department answered 111 alarms in 1968:

Dwelling houses	16
Chimney	17
Electrical	5
Automotive	18
Woods, grass and trash	16

False alarms	8
Flooded oil burners	8
Public service	5
Town of Detroit	12
Town of Palmyra	3
Assists to Burnham	1
Assists to Plymouth	1

The Chief, Officers and members of the Pittsfield Fire Department wish, at this time, to express their sincere thanks for the splendid cooperation during the past year from the Town Manager, the Board of Selectmen and the Citizens of the Town of Pittsfield.

Respectively submitted,

DANNIS B. HUGHES, Chief

CALVIN BUZZELL, Ass't. Chief

VAUGHN DEBAY, Clerk

Report of Budget Committee

The Budget Committee meet on February 3rd, February 13th and February 20th. The average attendance was 10.

Increases were recommended in General Government, Protection of Persons and Property, Health and Sanitation, Charities and State Aid Construction.

Decreases in Highways and Interest.

Special articles that were recommended were \$500. for the Senior Citizen Group; \$500. for the Control of White Pine Blister; \$830. for Regional Planning; \$500. for the Sesquicentennial Celebration and \$150. for a Recreation Director. A recommendation for payment of streets in the Forest Park Development of \$29,862.93 with the Selectmen borrowing the money and setting up a repayment schedule compatible with tax income.

If the budget committee recommendations are followed plus increasing the amount used from Surplus by \$2,000. this would mean only a one mill increase for Town Government.

1968 Audit Report

To the Inhabitants of the Town of Pittsfield, Maine

As requested by your Municipal Officers, I have examined the accounts of your town for the period beginning February 1, 1968 to December 31, 1968.

The accompanying Exhibits and Schedules correctly present the true financial condition of your municipality December 31, 1968.

- Exhibit A Balance Sheet
 B Cash Received and Expended
 C 1968 Valuation, Assessment, Collection
 D Summary Appropriation Accounts
 E Analysis of Surplus
- Schedule 1 Treasurer's Cash Balance
 2 Summary — Taxes, Tax Liens, Tax Ac-
 quired Property
 5 Accounts Receivable
 6 Trust Funds
 7 Notes Payable
 8 Bonds and Notes Payable

During this examination, I reviewed the accounting procedure and test checked the records as far as deemed necessary. This audit was made to conform with the rulings of the Maine State Department of Audit in Augusta.

It should be noted that this audit covered the period beginning February 1, 1968 and ended December 31, 1968, as compared with the last annual audit, which was for a full 12 months. The decision to change from the old fiscal year to the calendar year was voted by the town is more realistic and practical.

Respectfully submitted,
HENRY A. McCREADY
Public Accountant

Art. 18. To see if the town will vote to authorize the Selectmen to enter into the following Agreement with the State Highway Commission:

THIS AGREEMENT entered into this day of in the year of Our Lord one thousand nine hundred and sixty-nine, by and between the State of Maine, through its State Highway

Commission, duly authorized by the laws of the State of Maine, hereinafter referred to as 'the State' and the Town of Pittsfield, Somerset County, a body corporate, by and through its Board of Selectmen, thereunto duly authorized, hereinafter referred to as 'the Town'.

WHEREAS, 'the State' is planning the reconstruction of a portion of Hartland Avenue, commencing at the junction of Hartland Avenue and Somerset Avenue and extending in a northerly direction along Hartland Avenue approximately 0.663 miles to Station 51+00, which Station is about 100 feet northerly of the junction of Waverly Avenue and Hartland Avenue. This 'Project' is known as State Project 261 (501) and the entire proposed State Project 261 (501) will be within the compact limits of said Town (Stations 16+00 to 51+00) including all approaches to be constructed as a part of the 'Project'.

NOW THEREFORE, 'the State' agrees to do and perform the following:

- (1) To let a contract and construct State Project 261 (501) substantially in accordance with the plans for said 'Project' prepared by 'the State', consisting of a forty-four (44) foot bituminous concrete pavement with bituminous concrete curbs between Stations 16+00 and 51+00 and including the construction of a six foot wide bituminous concrete sidewalk (six inch aggregate base and two inch bituminous concrete surface) including bituminous concrete curb on the left or westerly side between Stations 16+22 and 49+80, and on the right or easterly side between Stations 49+64 right on Hartland Avenue and 1+00 right on Waverly Avenue.

AND, 'the Town' agrees to do and perform the following within the compact limits previously defined:

- (1) To assume all claims for damages which may be made by abutting property owners arising from the construction of said 'Project', not in-

cluding damage or injury to property caused by the Contractor's operations from blasting, neglect, et cetera (see abstract of State Highway Commission Specifications, Revision of June 1968, Article 107.12 "Use of Explosives", and Article 107.13 "Protection and Restoration of Property and Landscape", copies of which are attached hereto and made a part of this agreement), but including such claims as may arise or result from the change in alignment, change in grade, widening, loss of trees, shrubs, et cetera, drainage, loss of property corner markers (property corner markers shall include only those markers for which the location is unknown to 'the State' and not described in a listing to be made by the 'the Town' and submitted to 'the State') and such other claims, demands or causes of action by law or equity by any person, persons, companies or corporations within the limits of the 'Project'.

- (2) To acquire (and pay for, if necessary) all land and rights in land required for the right of way for the 'Project' in accordance with the right of way maps prepared by 'the State', including such rights as slope easements, temporary grading easements, drainage easements as may be necessary, for the construction of the 'Project'.
- (3) To locate, prior to the commencement of construction of the 'Project' by the Contractor, all property line or corner markers located adjacent to or within the limits of the proposed 'Project', and submit a written list of such locations to 'the State' prior to the commencement of construction of the 'Project' by the Contractor.
- (4) (a) To limit parking to parallel parking.
(b) To prohibit parking on the left or westerly side between Stations 15+50 and 17+40,

Stations 19+25 and 20+10, Stations 22+65 and 23+50, Stations 29+90 and 30+70, Stations 32+70 and 33+50, and on the right or easterly side between Stations 15+50 and 17+00, Stations 23+00 and 23+75, Stations 25+95 and 26+75, Stations 35+85 and 36+65, Stations 49+45 and 51+00.

- (c) To prohibit parking within 20 feet of any crosswalk.
- (d) To prohibit parking within 20 feet to the intersection of any street lines.
- (5) To reimburse 'the State' for the cost incurred on Project 261 (501) in accordance with the contract unit prices for the cost of the six inch aggregate base and the two inch bituminous concrete surface for the sidewalk as follows: Between Station 49+64 right on Hartland Avenue and Station 1+00 right on Waverly Avenue.
- (6) To install, maintain, and pay for all costs of power for street lights of an intensity commensurate with highway safety of approximately 0.4 foot candles between Stations 15+50 and 17+00 and 0.2 foot candles between Stations 17+00 and 51+00.
The uniformity ratio shall be 6:1 or lower.
- (7) To make such changes in the Town Fire Alarm System, town sewers, including service connections and other town owned and maintained utility fixtures (if existing) without expense to 'the State', as may be required as a result of the proposed 'Project'.
- (8) To pass such Town Ordinances as may be required to control all entrances to the highway as constructed as a part of this 'Project' or as may be constructed in the future, in accord-

ance with Title 23, M. R. S. A., Section 704, or as may be amended.

- (9) To assume all claims for damages to private underground utility type installations wherever the locations of such installation are not known by 'the State' or the Contractor or which locations may not be shown on the plans for the 'Project'; also to be responsible for the removal, replacement, alteration, or relocation of any existing private underground utility type installations (such as wires, water, sewer, drain pipes) as may be necessary to permit construction of the 'Project'.
- (10) To eliminate and prohibit the disposal of any open sewage within the limits of the 'Project'.
- (11) To be responsible for and to notify all utilities that, except in the case of an emergency, no Service Opening Permits for opening any pavement within the limits of this 'Project' will be issued for a period of five years from the date of completion of the 'Project'.
- (12) To hold inviolate the existing right of way, and agrees that no advertising signs, posters, billboards, roadside stands or other private installations shall be permitted within the said existing right of way limits and any advertising signs, posters, billboards, roadside stands or other private installations or portions of buildings now within said existing right of way limits will be removed by direction of 'the Town'.

IN WITNESS WHEREOF, THE PARTIES TO THIS AGREEMENT HAVE EXECUTED IN TRIPPLICATE these presents on the day and year first above written, the State of Maine by members of its State Highway Commission, hereunto duly authorized, and the Town of Pittsfield, at the Town Meeting 1969, an attested true copy being attached hereto and made a part hereof.

Art. 19. To see if the town will vote to authorize the Selectmen to enter into the preceding agreement using the "Sidewalk Blend" design.

Budget Committee Recommends to adopt

Art. 20. To see if the town will vote to accept the following ordinance:

To prohibit parking on both sides of Hartland Avenue 100 feet from the northly end of a traffic island to be installed at the junction of Hartland Avenue and Somerset Avenue.

Art. 21. To see if the town will vote to accept the following ordinance:

That the Selectmen be empowered to increase the membership of the Board of Assessment Review from three to five members per the Revised Statutes Title 30, Section 2060; Par. 6, D.

Art. 22. To see what sum of money the town will vote to raise and appropriate for a water pipe extension on Grove Hill from the existing line to the new church approximately 700 feet.

Estimated Cost \$4,000.00

Recommended: None

Art. 23. To see if the town will vote to authorize the Selectmen to make a contract for one, two or three years for the breaking of Snow Roads, or to take any other action in relation thereto.

Art. 24. To see what sum of money the town will vote to raise and appropriate for a sewer line from the Edward Chapman residence, approximately 500 feet, to existing sewer.

Estimated Cost \$3,500.00

Recommended: None

Art. 25. To see if the town will vote to use \$20,000 from the Surplus Account to be deducted from the amount raised, so as to reduce the tax rate.

Recommended to adopt

Art. 26. To see if the town will vote to authorize the Selectmen to transfer to the town of Hartland approximately 15 acres of land, thus returning the Hartland-Pittsfield Town Line to its original layout.

Recommended to adopt

Art. 27. To see if the town will vote to authorize the Selectmen to hire a Recreational Director to supervise summer activities from June 1st to September 1st and to raise and appropriate \$1,500.00 for expenses for the program.

Budget Committee Recommends \$1,500.00

Art. 28. To see if the town will vote to instruct the Selectmen to comply with the following proposal:

“That as the present force of the Police Department of the Town of Pittsfield consists of two full-time paid police officers; that as the police force is presently understaffed and does not meet minimum requirements of the State of Maine; that as there is a need for increased police protection, due to the expanding population of the Town of Pittsfield and the increasing complexities of everyday community life, resulting from greater use of motor vehicular transportation and other mechanical devices of present-day society; and as it is necessary to give increased police protection to prevent a rise in the rate of crime because of these aforesaid circumstances, therefore James Hannigan, Town Manager or other qualified official of the Town of Pittsfield is hereby authorized and empowered to expand the police force of the Town of Pittsfield by the addition of one more full-time police officer.”

The Selectmen give notice that the Registrar of Voters will be in session for the purpose of correcting

the Voting List and Registering new voters on Tuesday, Wednesday and Thursday, March 11th, 12th and 13th, 1969 from eight A. M. to five P. M.

Given under our hands at Pittsfield this fifth day of March, A. D., 1969.

NOTICE TO TAXPAYERS

The usual annual notice of requirements under Section 36, Chapter 92 of the Revised Statutes of Maine, pertaining to the filing of true lists of polls and estates, has been omitted this year. It is felt that in view of the proposed overall review of the tax program in Pittsfield it is extremely important that the taxpayers this year do provide such a list. The town officials recognize that errors or differences of opinion might logically be expected and in order to protect the taxpayer's right of appeal a prescribed form with covering letter will instead be sent to each taxpayer of the town. Compliance with the above requirement will also result in considerable savings to the town in the implementation of the new program. The office of Assessor will be open each working day and inquiries or problems of interested citizens will receive courteous attention.
